

## **Religious Education at Pondhu School**

My name is Mrs Kirstie Vine and I am the teacher in charge of leading Religious Education at Pondhu. Peter Carling (the link Governor for this subject) and I aim to ensure that RE is being effectively taught throughout the school and children are developing their own thoughts and beliefs. At Pondhu, we follow the Cornwall Agreed Syllabus for RE. Every year a subject development plan is created and the staff and children work together to meet the targets on the plan. This year the targets that we are working towards include supporting language development and ensuring that children identified as being More Able, Gifted and Talented within the subject are given opportunities to extend their learning. As the coordinator, I aim to visit other schools that are managing RE successfully to help us be the best that we can be at delivering the RE curriculum. Our overall objectives are to widen children's awareness and gain more familiarity with different religions and ways of life. Everything that we do is underpinned by the RRSA 'Article 14: Every child has the right to think and believe what they want and also to practise their religion, as long as they are not stopping other people from enjoying their rights'.
