

## Reading and Phonics

At Pondhu School we really value your support and encouragement to ensure your child makes a really positive start to their reading. We hold daily 'Family Reading' sessions when we encourage you to join your child each morning for reading and other literacy activities.

Our phonics scheme is Letters and Sounds

We use a book banded approach to ensure your child reads from a wide range of books.

Early reading is enriched by each child having regular opportunities to borrow from our stock of sixty story sacks.
