

Courtney Primary - Topic Sheet- Magic

Term 2 – Year 1 – Miss Inman

Headteacher: Mrs Deborah Wood B.A Hons. N.P.Q.H

This sheet shows you the topics your child is covering this term and gives you ideas and ways you can help your child at home. The library is always a good starting point and the internet has many great sites. If you visit www.courtneyprimaryschool.co.uk and click on the 'Links' section, you will find useful websites listed there.

Please make sure that the children spend 5 minutes a day reading or practicing sounds, and that they complete their homework to a good standard.

English

In English, we are looking at Narnia. We are focusing on extracts and working on producing descriptive pieces of writing using our imagination.

In phonics we will be recapping our finishing learning our phase 5 sounds!

Maths

In maths this term, our topics are going to be addition, subtraction, multiplication, and division.

We will be working on taking care while solving our number sentences, making sure we are using the correct operations. We will also begin to look at word problems.

As always there is a whole school focus on developing our children's reasoning and problem solving skills.

Computing

In computing this term we will be looking at online safety to ensure that all children are prepared for using the internet safely. It would be great if you could have this talk at home as well please 😊

Topic

This term, we are going to be continuing to look at stories from other countries and cultures and creating fact files on those countries. We can then link this to our work on continents and oceans.

Science

This term, our Science topic is 'electricity.' We will be learning what electricity is and how we use it in our homes. Mrs Harbury will be teaching Science on a Tuesday.

Music, Art and DT

In art and DT, we are going to be creating wolf collages and looking at the work of Sanna Annukka.

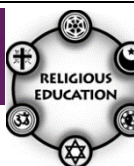

Our skills focus in music is singing.

PSHE and RE

This term in PSHE, we will be thinking about "celebrating difference".

In RE, we will be thinking about who and what is important to us. We will also be learning about the origins of christmas.

PE

As a school we follow the "Real PE" scheme of work which focuses on building up core skills and applying them in games. On Tuesdays, the children will have a PE session with Mr Smith. On Thursdays, they will have PE with me. Please ensure your child has their PE kit in school. Please send in tape for earrings or, even better, remove them on the days of PE.
