Headteacher’s News

There has been a lot of coverage in the news recently, of what children are eating at lunchtime. A study by Leeds University has found that 98 in every 100 packed lunches eaten by primary school children fail to meet nutritional standards. I would like to think that this is not the case at Courtney; we do see fresh fruit and vegetables but we also see a lot of sweets, cakes and crisps.

Experts say:

- the “main event” should be something filling such as bread, pasta, rice or potatoes.
- Always add salad to a sandwich if you can. Rather than choosing crisps or foods really high in sugar, salt or fat they recommend healthier choices such as:
- teacakes, fruitbreads or fruit instead of chocolate or cereal bars.
- Plain rice cakes or popcorn instead of crisps
- Low-sugar yoghurt or fromage frais instead of full-sugar ones.

We do appreciate that some children are fussy eaters. To help your child move from a limited diet, research shows that getting them involved in the preparation of their own food encourages them to be more experimental. Remember too that we have nutritious and well-balanced meals cooked onsite every day - and always with the option of a jacket potato and a limitless salad bar. Children who are in YR, Y1 and Y2 get these free and for £2.20 offers very good value for our KS2 children.

And finally, congratulations to the Dodgeball team who won their tournament this week. Very proud **D Wood**

Sports News

This week saw a Courtney sporting team taken to a new level. The year 5/6 Dodgeball team played in a level 3 competition. This meant having the opportunity to compete in the regional finals if they finished 1st or 2nd. The team had a shaky start and their heads dropped after losing the first match. However, the team showed determination and spirit winning their next two matches and qualifying for the quarter finals and then semi-finals. The semi-finals went to sudden death and 2 of our players made vital catches in the last few seconds allowing Courtney to qualify for the FINALS! We knew it would be a hard game, but all the team members gave it their all. Although we lost the finals, we have qualified for the regional finals. This was a very, very proud moment for myself, Courtney, parents and the children!

WELL DONE team Courtney! Thank you as always to our Parents, who stayed to watch each game and cheered them on through the nail biting and stressful time. **Mr Smith**

We have raised £60 with the Christmas at Courtney CDs. With the money we have got 3 shoe boxes and filled them full of small toys for children who are poor and don't have enough money to buy toys. We are very proud of what we have done for others. **Rosie Y6**
