

Arms up and down like you are picking up a tray.

Waft your hands under your nose as if you are smelling.

Punch arms up in the air joyfully.

Link thumbs and flap hands up in the air.

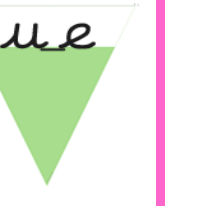

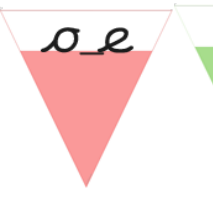

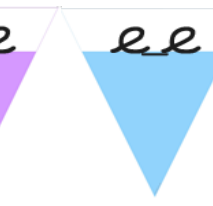

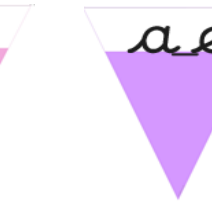

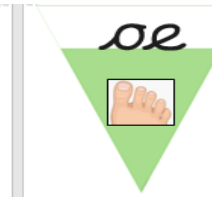

Look through a magnifying glass.

Make a roof with your hands.

Drink a cup of tea.

Saw motion with hands.

Fingers either side of lips and blow.

Hand up to ear like a phone.

Finger spiralling downwards.

Point to toe.

Waft hands by sides like a ghost.

Monkey arms.

Split digraphs. The e makes the first vowel say its name. Make a little swoop from the vowel to the e with your finger.

Phase 5
