

Playdough Playtime Song

(Sing to the tune of 'Here We Go Round the Mulberry Bush'.)

This is the way we squeeze the dough,
Squeeze the dough, squeeze the dough.

This is the way we squeeze the dough,
For our playdough playtime!

(Children should squeeze the dough tightly in one hand and then the other.)

This is the way we roll the dough,
Roll the dough, roll the dough.

This is the way we roll the dough,
For our playdough playtime!

(Children should roll the dough into a sausage shape between their hands.)

This is the way we squash the dough,
Squash the dough, squash the dough.

This is the way we squash the dough,
For our playdough playtime!

(Children should squash the dough flat between their hands.)

This is the way we nip the dough,
Nip the dough, nip the dough.

This is the way we nip the dough,
For our playdough playtime!

(Children should pinch the dough around the edges between a thumb and finger.)

This is the way we flip the dough,
Flip the dough, flip the dough.

This is the way we flip the dough,
For our playdough playtime!

(Children should pass the flattened dough between their hands.)

This is the way we pat the dough,
Pat the dough, pat the dough.

This is the way we pat the dough,
For our playdough playtime!

(Children should pat the dough with each finger in turn.)

This is the way we make a ball,
Make a ball, make a ball.

This is the way we make a ball,
The end of playdough playtime!

(Children should roll the dough into a ball between their hands.)
