

Most of this week's planning for English and maths complements the bbc bitesize lessons which can be found at:

<https://www.bbc.co.uk/bitesize/dailylessons> This will hopefully support your child with the learning as videos and practise sheets are available for each session. I will also provide activity sheets on the school website as an alternative.

Subject	Monday	Tuesday	Wednesday	Thursday	Friday
Reading 30 mins	<p>Visit Oxford reading owls and choose a book to read from the extensive range of free e-books:</p> <p>https://home.oxfordowl.co.uk/books/free-ebooks/</p>	<p>Read a chapter or 5 pages of your home reading book and summarise in 5 bullet points.</p>	<p>Comprehension task Read the Sun Safety information leaflet and complete the comprehension questions</p> <p>PDF's of these can be found on Home Learning Smart Zone Page 8.6.20</p>	<p>Reading for enjoyment – read something of your own choosing and enjoy!</p>	<p>Complete the bbc bitesize Yr 3 and 4 reading lesson: Reading lesson: Kenuke's Kingdom by Michael Morpurgo</p> <p>https://www.bbc.co.uk/bitesize/dailylessons</p>

Topic

PE / Health and Wellbeing

There are a number of activities and websites you can visit to promote physical activity and health and wellbeing. A complete list can be found on the Home learning section of the website under resources.

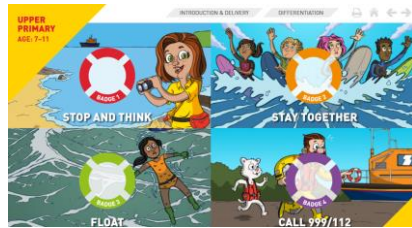

Google Classroom Computing Challenge :

Post a picture / video on the class page and share your home learning with everyone else.

Water safety :

The RNLI normally come into schools during the summer term to talk about water safety. Due to the current situation, the RNLI have provided a host of resources and information for children and parents about water safety. Please take the opportunity to check out these resources and follow the links to find out more and complete some of the suggested activities.
