

Sithney Primary School Rock Pooling Day 2021

Details

Castle Beach, Falmouth
Thursday 24th June 2021

Session runs from 10:00am to 2:00pm – arrival and departure times to be provided by the school.

Registration

You can register your child with the Rock Pool Project [here](#). This will enable you to receive a free photographic report of your child's rock pool discoveries and give you the option to take part in our other activities.

Itinerary

- 10:00am – Introduction and health & safety
- 10:15am – Rock Pool Wildlife activities 1
 - Group one – Rock Pool Wildlife surveys
 - Group two – Mobile rock pool marine talk
- 11:00am – Reconvene and snack break
- 11:20am – Rock Pool Wildlife activities 2
 - Group one – Mobile rock pool marine talk
 - Group two – Rock Pool Wildlife surveys
- 12:10pm – lunch break
- 12:55pm – Strand line scavenge in groups, including plastic pollution awareness discussions
- 1.45pm – Reflections on the day

Clothing and equipment

Please ensure that children have suitable footwear and clothing for the conditions. Wellies are ideal but anything with good soles and grips is fine, although if they are not waterproof then you should also provide a change of socks and shoes and a small towel. You should also be sure to rinse the saltwater from them after the event. No other equipment required.
