Dear Parents,

Can you believe it? That is a half term over already. Thank you for all your support with Thursday's non uniform day. We have lots of things for the joint fundraiser with St. Day football club on the 24<sup>th</sup> February. Thanking everyone for their generous raffle donations and that tickets will be in sale for the raffles all week leading up to the race night £1 a strip, (and at today's cake sale). Also we are looking for businesses to sponsor the races if anyone is interested speak to Gemma email- [gemmabeare@yahoo.co.uk](mailto:gemmabeare@yahoo.co.uk)

The snow brought lots of excitement and fun. The children managed to get out in it and I know the Acorns in particular enjoyed digging and moving the snow on the field. A reminder that in the event of any inclement weather, we will let you know by text, on the website, twitter and local radio.

Our Cross Country team did the school proud on Thursday at Threemilestone. Well done to all who took part in the Richard Lander qualifiers. In particular congratulations to Leila & Louis who qualified for the next round. Thank you to the parents and Mrs. Mewton for their help and support.

Have a wonderful half term break,

Mr Gould

Bowls  - We have a close partnership with the Bowls club and I am delighted to say that the children in Year 5 and 6 will be having a bowls lesson on Thursday afternoons after half term.

Shrove Tuesday  - is during half term but we will be celebrating on Tuesday 20<sup>th</sup> February. Pancakes will be served for lunch as desert - if your child would like a pancake and does not usually have school dinners they can.....

Message for Seedlings  - just to let you know Miss.Sturgess is attending a course the first four days back after half term. The class will be covered by our very experienced supply teacher Mrs.Rawett for the first three days and then Mrs. Morgan for the Thursday. (a good chance for her to get to know the children before next year!)

Maths Evening  - On Wednesday 21<sup>st</sup> February from 530pm to 630pm, please come and find out how you can support your child with maths at home. I promise no one will be put on the spot but come and discover the strategies and approaches we use in school to support your child.

Eco Club  - Mrs.Laskey one of our parents has kindly offered to run an "Eco Club" for Ks 1 children on Tuesday after school from 3:15 to 4pm. If you are interested the club will look at how we can think about how we can help look after the environment in terms of our own school. It will include activities like making a bug hotel. Please give your name to Miss.Ivey on the first day back. Places are limited to 10.

Esafety  - on Tuesday this week, the children undertook lots of work linked to Internet Safety. This included how we leave our digital footprint whenever we go online and how it is important we are responsible

when we post things on line. One of the apps we talked about was "Roblox." We discovered that there could be hidden on line chat - please see this link to find out more information -

Parent Assemblies  - resume after half term. We will starting on Friday 23<sup>rd</sup> February with the Young Oaks.

Return to school in September  - as ever we are trying to support parents with the costs of holidays during school holidays. Therefore, we will be taking two training days at the start of September so we will return to school on Thursday 6<sup>th</sup> September 2018.
