Dear Parents,

Thank you for all your support to this week's Macmillan Coffee Mornings. I hope you enjoyed getting to know your class teacher and seeing the classroom all in a good cause. The atmosphere was really lovely, so thank you for all your support. I will post how much was raised next week but many thanks for all the baking as well (I know the children loved it!)

During the week, I have had many great conversations with parents about transitions. This year, we ensured that prior to moving into the new year group, pupils spent four sessions getting to know their class teacher. One of the really helpful comments that we have had from parents is that they would like to know prior to their children moving into the new year group what will be different about them being in this year. I am really excited about this suggestion and will be discussing it with the parent forum later in the term as to how we can support this.

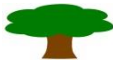

On Tuesday in School are individual photos. Please can you make sure children come in their full uniform including jumpers. Families with younger children are welcome to come to School at 8:30am for a family photograph to be taken. On the subject of uniform, I already have a growing collection of unnamed jumpers. If your child has lost theirs, please come and ask at the office.

Have a great weekend,

Mr Gould

Library- thanks for all the wonderful support from the reading club members, who are now helping Mrs Law source items for the refurbishment, which we hope to start soon. Tesco tokens raised a whopping £2000 for books, brilliant effort everyone, and thank you Ms Lawry.

Parent appointments  - please don't forget to sign up for an appointment. A reminder there will be no clubs during that week.

Prior Warning  - Message from the Parish Council - Trees will be removed in the village car park over October Half Term. The bridge will be closed for access for most of that week along with some of the car park.

Assembly next Friday - we will be joined by Parish councillor Rob Knill who will update us on the progress of the Draft Chacewater Parish Neighbourhood Development Plan (NDP) as it has entered a period of public consultation; which started on Saturday the 15th September and will run on until Saturday 27th October.
