9 July 2021

Dear Parents,

I start today's newsletter with a huge thank you to Year 2 children. You have been amazing this week on zoom during your bubble closure and we cannot wait to see you back in school on Monday. Thank you to all parents throughout school who have taken their children for tests. As we near the end of term, we are continuing to be hyper cautious and will be sending anyone for a test who is not well. A reminder to email me with any information - [head@chacewaterschool.co.uk](mailto:head@chacewaterschool.co.uk)

Could I ask all KS 2 children to bring their PE kits into school every day next week? We are going to do Sports Day for you on a day that we feel suitable in terms of weather and staffing, under the current challenges.

I will have further news about Foundation and KS 1 Sports Day in next week's newsletter.

**Finally, we have decided that this week was the last one for after school clubs. Thank you for all your support with these.**

Have a great, safe weekend,

Mr Gould 

Thank you everyone for your donations to the PTA raffle, we had some lovely prizes.

**Year 1** - Mrs. Rice is on a course next Tuesday and Wednesday. Lauren will be covering the class.

**Reports** - these will be coming home next Friday.

Please see this link to find out what the new legislation for COVID means for schools from September. We will continue in our bubbles till the end of term. Please note Reception and Year 6 are no longer a bubble as we are doing everything we can to hope Year 6 can be in school for their last days at Primary School.
