

Year 3 Plans for Remote Learning Support

If your child is self-isolating because a family member is awaiting a test or showing symptoms please contact school.

Level 1: your child is self-isolating at home

Mrs. Law will provide your child with a **Level 1** remote learning pack. It contains:

- Handwriting practise booklet
- Maths activity mats
- Reading comprehension activities

Work through these activities and bring the pack, with completed work, back into school when your child returns. The work can then be marked and feedback given.

Mrs. Law will also make daily contact with your child at home by inviting them to 'zoom' in to class assembly from 2.45pm-3pm. Your child can then feel included in daily school life and see their friends remotely.

Level 2: the whole bubble is sent home

- Plans for the day will be uploaded onto e-schools by 9am.
- At 9.30am a zoom session will take place. Your child will be expected to attend. The session will be around 20 minutes long and will focus on spelling/grammar.
- Work will be set on the e-schools platform. It will be a combination of maths & english work as well as foundation subject activities like: history, science, art etc.
- A **Level 2** remote learning pack will be provided. It will include maths activities on the subject of 'time' and English activities based on a short film clip 'Tadeo Jones'. The pack will complement the daily lessons.
