

Weather

The children loved playing in the tiny bit of snow that we were lucky enough to get at the beginning of February. Mrs Patchett managed to get some great photos of many of them.

If we get further snow and ice that may cause problems to the normal running of the school, we will update the school Facebook page and put a message on Radio Cornwall to keep you informed.

World Book Day

This year we will be celebrating World Book Day on Thursday 1st March. As in previous years, the children are welcome to dress up as a book character and bring in their favourite book to share with others. If your son/daughter is reluctant to dress up they are welcome to come in clothes of their own choice. Each child will receive a voucher that will entitle them to some money off the purchase of a book (details are on the vouchers).

Tuck Trolley and school lunches

The school council met with Karen from Chartwells just before half term. It has been agreed that there will be more selection of fresh produce available for the children to purchase from the tuck trolley. A new lunch menu will be in place after Easter. We are also putting some dates together for Karen to come into school to do some cooking workshops with the children.

We have also been informed of two days when Chartwells will be offering a special menu.

1st March – World Book Day

The Twit's Spaghetti Bolognese or The Gruffalo's Cheese and Tomato Pizza, served with Hagrid's Potato Wedges, The Princess's Peas and The Hungry Caterpillar's Salad followed by Elsa's Frozen Ice Cream. There will be no jacket potato option on this day.

5th March – St Piran's Day

Traditional Steak Pasty or Cheese and Onion Pasty followed by an Ice Cream Tub. There will also be the option of a jacket potato.

The Wizard of Oz

As many of you are already aware, Kids Club Theatre have been rehearsing for their production of The Wizard of Oz. The shows will take place on Saturday 24th and Sunday 25th February at Helston Community College in the South site hall.

Performance times are 1.30pm and 5.30pm on both days. If you would like to go along and watch please contact Stephen Anguish or email:

kidsclubtheatre@yahoo.com

Tickets are £5- please note the 5.30pm performance on Saturday is sold out.

Science Week

Mrs Coleman has been busy organising Science Week activities for the whole school.

We are looking forward to starting our learning with a visit from the Explorer Dome on Monday 5th March. Science week will begin on Monday 12th March. The theme is 'exploration and discovery'. We will have a Science Workshop Day for the children on Wednesday 14th March, with an after school session for the children to attend with their parents and siblings from 3.30-4.15pm (further details to follow).

Wendron Preschool Fundraising

Thank you to everyone who filled up a bag of clothes for the Preschool's 'bags2school' collection. Your unwanted items have helped to raise over £200 for the preschool.

The Preschool committee would like to thank everyone for their donations and purchases at the Bake Sale before half term, which raised £161.

Thank you also for the people who have returned their Smarties tubes. The money collected from this will be shared between the School and Preschool.

Exemplar Education

Please could we remind you to return any forms about the extra support in Maths, English and reading. The school will benefit from your replies whether it is something you choose to engage with or not.

24th July End of Term 2pm

Visit to Culdrose

Grylls and Lander Classes were fortunate to have a visit to Culdrose before half term. This visit was to support their learning about the weather. The children were perfectly behaved and thoroughly enjoyed their morning out. Thank you to Simon Laurence and Paul Coombs for accompanying the children and making the trip so enjoyable.

Swimming Dates for Spring Term

Lander/Grylls Classes

February 27

March 6, 13, 20

Trengrouse/Trevithick Classes

February 23

March 2, 9, 16, 23
