Easter

As another term draws to a close we wish you all a very happy Easter holiday. We break up next Friday, 31st March at 2pm and return Tuesday 18th April.

Red noses and talent

Great effort from you all in raising £178.19 for this very worthy cause. Your talent shines through and well done to all who took part.

Quilts

Back in the autumn term our theme weeks were in creating some picture quilts for the school hall. These are now completed and we wish to invite you to come to a viewing on Tuesday 28th, next week, after school. Each child has taken part in building up their class picture.

In other education news

Thank you to Daya for coming into school and supporting the children's learning on RE. Trengrouse class will be working with a member of the Bournemouth Symphony Orchestra on Monday to create some music.

National funding

The consultation has now closed for the proposed national Funding formula. We welcome the aim in terms of making it fairer across the country – Cornwall is in the F40 group of least well-funded local authorities. At the same time much has been in the press and we have asked you to contact MPs to put pressure on the government to ensure there is enough money to cover the increased costs the school is facing, for which we receive no extra money. NI contribution rises; pension contribution rises; the apprenticeship levy and in addition the extra services the school has to purchase because of the LA no longer providing them, for example: educational psychologist, education welfare, counselling and from Sept the behaviour support service. Nationally the government are also removing £600M per year of support grant for LAs and academies.

Financially, it is a challenging time but the move to academy and other decisions are being taken by the school to ensure we remain sustainable and can maintain the staffing levels in the classroom where we know the difference is made to your children. Were you moved to put further pressure on your MP, please do so.

Multi-academy trust

You will have received notification that our conversion date into the Southerly Point Multi-academy trust is June the 1st.

PE

Well done to Tansy, Sophia and John at the area cross-country, they all did really well. We were on residential last week so Tansy was unable to but did qualify for the County final.

Residential

It was a huge pleasure to take the majority of our Year 5 and 6 to the Kingswood activity centre last week. We are immensely proud of them in the huge challenges they took on and in the success they achieved. The centre staff were very impressed by our children and staff from another school also wanted to say how wonderful it was for our children to support theirs to succeed as well.

Cleaner

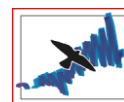

We have been asked to draw your attention to a vacancy for a cleaning job at school. Reference number 0000021W CORMAC Grade 1 £7.20 10 hours per week 3.30pm – 5.30pm For an application form and job description please telephone 01872 323800 or apply online at www.cornwall.gov.uk

Reminders

Please keep the staff car park clear, access is required.
