### Thank you

Your recent responses to the parent survey alongside the children's responses have been very supportive overall. However, you have given us a steer to make some changes and re-prioritise our efforts and as such we will be making changes – some of which will be immediate, some will require some further organisation. For example in the clubs we offer.

### Multi-academy trust

There will be a delay in the forming and our joining of Southerly Point Cooperative MAT. This is due to some external factors which are being reviewed and it is prudent to delay until April 1<sup>st</sup>. All is ready here and at the Diocese for conversion. We will keep you informed of progress.

### Clubs

After half term we are looking to offer two further after school clubs; a science and a craft club. Both of these will have to be limited for resourcing reasons. From September we are seeking for some professional support for the x-country runners. More information to follow in due course.

### PE

Well done to the KS1 gymnasts who had a very successful afternoon at the Mullion gym recently. Lots of enjoyment in the activities and lots of success in the competition.

### Extra support at home

Next week the school will distribute some leaflets from a private education company, called Exemplar Education, offering access to learning materials and lessons online. It is a way in which your child can be supported at home with their learning. The school will benefit with some access to their materials if you were to respond even if you were to respond that you are not interested. Many thanks.

### After School Clubs

Could parents ensure their children are picked up promptly from after school clubs. If not collected on time, they will be taken to After School Club for which there is likely to be a charge
