

PE and Sport Premium

The dedicated primary PE and Sport Premium, which was announced in March 2013 goes directly to primary school head teachers so that they can decide how best to use it to provide sporting activities for pupils.

Primary schools around England are already using the premium to:

- Up-skill teachers to improve the quality of sport lessons.
- Invest in quality coaching.
- Provide more opportunities for pupils to take part in inter-school competitions.
- Offer more after-school clubs.
- Purchase better equipment.
- Introduce new and unusual sports like fencing, climbing, ultimate frisbee and Danish long-ball to encourage more children to enjoy sport.
- Improve sport teaching for children with special educational needs.
- Deliver holiday and weekend activities.
- Boost Change4Life clubs, helping children build a healthier lifestyle.

Please see below the two tables which outline how the PE and Sport Premium has been spent at Brookdale Primary School.

Table 1.

PE and Sport Premium allocation and expenditure 2013 / 2014

Table 2.

PE and Sport Premium allocation and expenditure 2014 / 2015

Table. 1. How did Brookdale Primary School spend the school's 2013 / 2014 allocation of PE and Sport Premium?
