Winning Streak Continues!

On Tuesday 3rd December, our school football team were in action again. We played in a futsal tournament at Tranmere Rovers. Due to a team dropping out, we played three teams twice each, 6 minutes per game.

In our first match against St John's Primary School, it was a 2-0 win to us. Hadyn scored the first goal from a fantastic solo run. Then, he took a powerful close range shot to make it a 2-0 victory.

After that, we played against Lingham Primary School and won 3-0. Hadyn starred by scoring three superb goals. This game featured the assist of the day when Paul backheeled it through the defender's leg to get to Hadyn.

Then, we played St. Peter's and we ran riot winning 6-0. Hadyn scored the first before Josh L scored a brilliant goal. Then, Zack scored by taking it past the defender and beating the keeper. Hadyn then score three quickfire goals to make it 6-0.

Next, we played St John's primary and won 2-0 again. First, Josh L scored an absolute screamer of a free kick from our own half. Then, Hadyn secured the win by scoring yet again.

In the next group game, we won 3-0 against Lingham Primary School with an amazing hat-trick.

By the time our final game came around, we were already through so Zack went in goal to allow Jacob a run outfield. Early on, Josh B scored a quickfire double and the Jacob scored from close range. Hadyn then scored two to make it 5-0.

In the final, we played against St Peter's and we came out on top. Hadyn scored the first through a fabulous solo run. Then, Zack scored an insane curler into the bottom corner. Hadyn make amends after his open goal miss to end it 3-0.

Our team did superb, showing great skill and attitude. Hadyn was the star player and Jacob was an unbelievable goalie, conceding no goals. We will go through to the semi-final sometime soon to play again.
