

# Match Report – E.F.C Community Competition @ Vauxhall F.C. 25<sup>th</sup> October 2019

We arrived at Vauxhall FC and the boys were all in high spirits,

Mr Johnson warmed them up after a long wait to get outside – it was almost as if the organisers were waiting for the rain before we got outside!

We warmed up and went straight into a game against Raeburn – who were rated as one of the favourites – but we managed to beat them 2 goals to nil. The weather was cold and very wet but it certainly did nothing to dampen the boys high spirits. The next two games were 1 nil wins against St Johns and St Albans, these wins were impressive and saw us guarantee a place in the semi-finals, the final pool game was a 5-0 win against Fender which really saw us iron out some kinks.

After lunch we had our first semi-final against Leasowe Primary who played really well but we really started to play to our strengths.

The parallel semi-final was decided by a penalty shoot out between Raeburn and Black Horse Hill, which saw Black Horse Hill come through on the last penalty!

The final was a very tense affair to begin with but after the first five minutes we began to really play football and ended up with an emphatic 3-0 victory. The weather was horrific but the result was impressive ... the only thing more impressive than the football was the attitude and behaviour of the boys – well played boys!

A huge well done and thank you to Mr Johnson and the boys, Alex P, Josh L, Zack D, Thomas S, Hadyn M-H, Charlie W & Ollie B.

Mr. Arnold
