Poulton Lancelyn Primary School
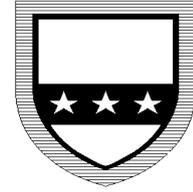

Dear KS2 parents,

We are looking forward to starting our Wirral Civic Award Scheme 2019-2020 and would like to invite your child to take part. Many of you already know the scheme but for those who are new to it, please find attached an information document.

The Award aims to promote:

- good citizenship through a greater awareness of Wirral
- self-reliance
- service to others
- personal achievement in physical activities
- wise use of leisure time

The Wirral Civic Award Scheme is not concerned with the achievements of specific standards, but with making the most of each child's individual abilities. Completion of each level of the scheme is rewarded by a badge and certificate, presented at an official ceremony hosted by the Mayor of Wirral.

We are currently one of the highest attending schools at the ceremony and we thank our parents for supporting pupils in the completion of the activities.

If you would like your child to be included in the 2019-2020 Wirral Civic Awards scheme, please complete the attached reply slip with payment (CASH ONLY PLEASE) towards the cost of a record book, certificates and badges and an invitation to the presentation evening.   The cost for KS2 children is £3. Please note, there is no charge for children in years 4,5 and 6 if they have already taken part in the KS2 Civic Award scheme if they still have their book, if you require a new book you will be charged! (There is a separate charge for Year 2)

All books that have been signed have been given back today.

We really hope that your child would like to take part. If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mrs S Collins
Deputy Headteacher
