GREAT SIXTY-EIGHT BOOK LIST

After lots of discussion, we have compiled our own reading list containing sixty-eight books that we think everybody should read by the time that they leave Year 6.

To make this a little bit more exciting (even though reading is exciting enough) we are turning it into a competition so that you will be rewarded for your dedication to reading.

Although, we believe that improving your reading skills and enjoying the amazing books that we have compiled for you will be rewarding enough - if you manage to read a certain amount of books and give a review of each book you read, you will receive prizes.

30 books – certificate

40 books – bronze medal

50 books – silver medal

60 books – gold medal
