Dear Parents,

27th February 2019

We have been made aware through the Wirral Safeguarding Children's Board, of the Momo Challenge which has reportedly been appearing in children's YouTube videos and causing upset amongst young people. Please take time to look at the guide below for supporting and supervising children online.

The WSCB's advice is for everyone to be as online safety savvy as they can. The guidance on the Wirral safeguarding board website is valid for Momo - parents should monitor what their children are doing online and make sure their security settings are set to maximum.
