Year 3	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn NB- Autumn Term is 15 weeks, therefore extend Place value and Multiplication and Division strand to end of term	**Number: Place Value** Recognise pv in each digit in HTO Compare and order numbers up to 1,000 Identify represent and estimate umbers up to 1,000				**Number: Addition and Subtraction** (up to) 3 digit + ones (up to) 3 digit + tens (up to) 3 digit + hundreds (up to) 3 digit - ones (up to) 3 digit - tens (up to) 3 digit - hundreds TO+ TO crossing hundreds TO – TO crossing tens • Column method not required at this point in the year				**Number: Multiplication and Division** Count in 4s 8s 50s from 0 3x 4x 8x facts Division facts			
	Include measurement – money Reasoning and problem solving				Include measurement – length Reasoning and problem solving				Include measurement – across all contexts Reasoning and problem solving			
Spring	**Fractions** Find fractions of shapes, amounts Recognise and use fractions as numbers Compare and order fractions Not tenths				**Geometry** Property of 2d and 3d shape Turns		**Time** Analogue clocks Roman Numerals	**Addition and Subtraction** Addition of 3 digit multiples of 10		**Multiplication and Division** Division with remainders		
	Include measurement Reasoning and problem solving				Include measurement – perimeter Reasoning and problem solving		Reasoning and problem solving	Include statistics, length money Reasoning and problem solving		Reasoning and problem solving		
Summer	**Fractions** Add and subtract fractions within 1 whole			**Statistics** Interpret and present data using bar charts, pictograms, tables	**Addition and Subtraction** Column method HTO + HTO Column method HTO - HTO			**Multiplication and Division** TO X O TO ÷ O			**Time** Read and write analogue To the nearest min 12 and 24 hr	**Geometry** Right angles horizontal, vertical, parallel and perpendicular lines
	Reasoning and problem solving			Reasoning and problem solving	Reasoning and problem solving			Reasoning and problem solving			Reasoning and problem solving
