8th November 2016

Dear Parents,

Your child has been chosen to represent our school at a biodiversity eco project called "Lights Out" on 9th November at Wallasey Town Hall. . The children will travel to and from the venue by mini bus leaving just after 9 o'clock and arriving back in school before 3.15 p.m.

Each eco team will be given a species in decline in Wirral due to climate change and greater urbanisation and they will work with an artist to create sculptural installations to go inside old bell shaped lights. The children will also make some insect bottle lanterns and create artworks for an eco booklet. At the end of the month there will be a family exhibition event for parents to see the works exhibited together, and some crafts and cake. We have no details of the exhibition as yet but will let you know as soon as the organisers confirm.

Children must wear their school uniform and will need to bring a packed lunch with them (no glass bottles or fizzy drinks please)

If you have any questions, please contact Miss Newton.

Yours sincerely

Mrs C Fenna
Headteacher
