29th September 2016

Dear Parents,

On Monday 3rd October, Mrs Bryan's class will be visiting the World Museum in Liverpool as part of their topic on space. Whilst there they will take part in a workshop about the wonders of space flight and learn about the talented team of experts that make living and travelling in space possible. The workshop will focus on inspiring curiosity and an interest to continue to explore the marvels of modern day science and technology. The children will then visit the Planetarium for a show.

The children will leave school at 9.00 and travel by car or minibus to the train station from where they will complete the journey to Liverpool. They will be back in school for the end of the afternoon session.

Children must wear their school uniform and have a waterproof jacket as they will be walking from the station to the museum. They will not need any spending money and there is no charge for the trip. Children will need a packed lunch in a plastic carrier bag – no glass bottles or lunch boxes please. If your child normally has a school lunch and you would like a packed lunch from the kitchen, please inform Mrs Bryan tomorrow (Friday)

If you have any questions about the trip, please do not hesitate to contact the school.

Yours sincerely

Mrs C Fenna
Headteacher
