## Reminder - Parent and Teacher Meetings

Our Parent Meetings take place this half-term on **Thursday 14<sup>th</sup> March** and **Monday 18<sup>th</sup> March**. A small number of appointments are available at the start of the school day as well as after school between 4.00pm and 7.00pm. Parents will be able to select their appointment times using the on-line booking system.

Details of how to book your appointment using the on-line system will be sent out to parents via our daily email notifications.

## World Book Day

We are celebrating World Book Day on **Thursday 7<sup>th</sup> March**. The theme for our day at school will be 'sharing stories'. As one of the most common ways to share stories is at bedtime, this year the children have the opportunity to come to school ready for a bedtime story, dressed in their pyjamas. As an additional option, they could bring in a favourite book from home (named) to share with their class - maybe one that they enjoy reading or listening to at bedtime.

## Class Photographs

The school photographer is in school on **Thursday 25<sup>th</sup> April** for our class photos and also for the Year 6 leavers. Could we politely request that pupils come into school in their winter uniform on this day?

Many thanks for your support!

## Years' 5/6 Parent Meeting - KS2 SATs and The Manor Residential

A meeting has been scheduled for parents of children in Years 5&6 on **Monday 4<sup>th</sup> March** at 6pm. The meeting will provide a summary of the KS2 SATs that take place in May, as well as providing information about the forthcoming Y6 residential to The Manor between 25<sup>th</sup> & 29<sup>th</sup> March. This meeting is also intended for Y5 parents, as it will provide a useful introduction and overview of both aspects of the Year 6 programme.

## Rock of Joy Trust

Thank you to everyone who has already kindly donated pairs of shoes or trainers to the Rock of Joy Trust.

If anybody would still like donate shoes or trainers, please send them into school tied together or paired up with an elastic band.

A collection box has been set up in the storage area underneath the school hall.

Many thanks for your continued support!

## Safer Internet Day

Well done to all the children who took part in the 'Safer Internet' whole school assembly on Thursday 7<sup>th</sup> February. I was particularly impressed with the children's knowledge, understanding and awareness of the potential dangers they may face when online. The assembly gave the children lots of important advice on how to keep safe when using the internet.

Also, as part of Internet safety awareness a group of ten Year 5/6 children went to Goodison Park (Everton's Football ground) to take part in an Internet safety workshop. The children listened to a speaker and learnt some top tips to keep them safe online. Working together they investigated what to do and what not to do online. At the end of the event the children had the opportunity to walk down the tunnel and have their photograph taken whilst sitting in the home team dugout.

Just to remind parents the school website has links to online safety advice which you may wish to share with your children.

## Reminder - School Parking

May we please remind all parents, carers and grandparents to park safely and with care. Please avoid parking on the zig zag lines, the single and double yellow lines, on kerbs and on corners. Also, when parking around school at the beginning and the end of the day, can we please be mindful of our neighbours. Our careful parking will help to keep all our children safe.

Thank you for your co-operation!
