What an amazing weekend it has been! The Auction of Promises and The Lord Mayor's Show were within 24 hours of each other, and each event was absolutely wonderful. Thank you SO much to everyone who was involved; once again, the Thriplow community has shown itself to be exceptional, and we are all very lucky to be part of it.

Congratulations to our Netball teams who both played well at the tournament on Monday, the Year 6 team winning their league and the Mixed Year 5/6 team coming second in theirs.

We are finalising arrangements for the whole school visit to "The Nutcracker" in December, so please look out for information.

Best wishes,
Victoria Penty
