13th– Reception vision screening

23rd/24th March

Daffodil Weekend

School will perform at 11:30 on the 23rd

Sunday 10th March

4.30pm Evensong

We have been delighted with the entries to the science competition and are looking forward to welcoming scientists to school next week. Two visitors are coming from the Institute for Manufacturing at Cambridge University; they will be meeting all the children who entered the competition and talking to them about their scientific careers and research.

Our philosophy focus for the next few weeks is: “Are some rules meant to be broken?” Please let us know your views!

Y3 class enjoyed a trip to the Sedgewick Museum this week to learn about rocks and fossils. Please look out for the report next week.

On Friday there will be a sale of cost-price, brand new school uniform. Please come to the hall at 9am to pick up a bargain!

Best wishes,
Victoria Penty

ParentPay

our new online payment service

With the introduction of ParentPay please be aware that from next Monday we will no longer be able to accept payments in the school office; with the exception of payments for outstanding dinner monies from the old system.

Please can we remind you that school lunches need to be booked online by midnight on Thursday for the following week.

Everyone should have received an account activation letter explaining how to register with ParentPay; please speak to the school if you haven't received yours yet.

URGENT HELP REQUIRED

**Please sign up to help serve teas at the school on Daffodil Weekend
Saturday 23rd & Sunday 24th
March 11am-5pm**

Over the years the school has received an incredible amount of financial support from Daffodil Weekend.

It's a great way to meet new people, make friends and "give back" in general. It is one of the things that brings us together and makes Thriplow so special. If you're not sure what is involved please ask in the school office.

A sign up sheet is on the noticeboard on the playground, we really need at least 5 people for each time slot.

WORLD
**BOOK
DAY**

7 MARCH 2019

Book In A Jar

World Book Day is fast approaching and with half term just around the corner, we wanted to share our exciting project. On Thursday 7th of March, we are inviting children to bring in one of their favourite books represented in a simple jar. This will begin our celebration of World Book Day.

The jars need to be clear with a lid on the top but then the creativity is up to the children how to show their favourite book in pictures, objects or models that fit inside the jar. Please attach a label with your child's name and the book choice around the neck of the jar with string.

We hope to display some of the projects in the entrance hall. We really hope this fires up their Imagination and the jars will offer inspiration on future 'reads' for our pupils.

'Buy a Brick' Stall at Daffodil Weekend

The PTA are launching a 'Buy a Brick' campaign to help fund the Cornerstone Classroom Project.

More information will be coming out to you shortly but in the meantime please sign up to help us run the stall at this year's Daffodil Weekend. The rota is up in the playground next to the tearoom rota and is also on the PTA Facebook page.

We need two adults for each time slot on both days to work alongside year 6 students raising the profile of the project and selling bricks.

Please help us to kick this campaign off!
