

Butterfly Class

What's happening in the Wild Space this Autumn term 2018?

We used a palm drill to make a hole in a conker. We wore a glove on our helper hand.

We threaded our conkers onto string and tied knots.

Managing risk, following rules and keeping safe. Using tools and practising new skills.

We decided to look for minibeasts and we made a list of the ones we found.

Self-motivation - putting your inspiration into action. Exploring the natural world around us. Finding similarities and differences.

Being proud of what we have achieved.

Searching for minibeasts.
