Please come along to help the Year 6 children raise lots of money. We will be serving delicious cakes and biscuits and we would love to see you.

Thank you. Josh."

I hope you found our Meet the Teacher sessions useful. Please continue to read this newsletter and to keep an eye on the playground board so that you keep up to date with what is going on at school.

Best wishes,

School Lunches on Tuesday 24th Sept.

We are having essential maintenance work done in the school kitchen next Tuesday. To allow this to take place the menu will not be as shown on the ParentPay website. Any children having a school lunch will instead have a picnic lunch. If you would like your child to have lunch on the day please choose the jacket potato option on the website.

Sunday 22nd Sept

Aldi's Kit for Schools Promotion
Aldi are currently running a promotion which gives schools the opportunity entry a prize draw to win £20,000 for sports equipment. Every time you spend £30 or more in store you will be given a sticker which we then put onto a wallchart at school. We need an awful lot of stickers to be entered into the draw so please drop any stickers you receive into the school office.

Mrs Cheetham will be selling gold pins for Childhood Cancer Awareness month. She's also got a selection of what Talia is calling aliens on strings! Please come and buy one (or lots) and help raise money for Childhood Cancer Awareness. The pins and aliens are £1 each. I'll have my yellow box in the playground each morning and some afternoons throughout September.

Shopping List

Parents can help the school by donating their time and/or money. In these challenging times, we now have a box in the front entrance for donations of items that you may be happy to add to your supermarket shopping.

Our current request is for: Pritt sticks (branded please), tennis balls and felt tips.
