

The Yr 6 members of our Netball Team (fresh from their recent inter-schools tournament success) stepped up to the challenge of coaching their peers!

Their enthusiasm, confidence and subject knowledge were clear for all to see and their students were completely engaged and attentive. It was a superb example of how successful peer mentoring can be.

The coaches went straight off after the lesson to make notes on their students' progress and plan their next session!

A big THANK YOU to Riley's Dad, Simon, for decorating our new Nurture Room!

And more decorating! How many things can you get on one cup cake? Yr 2 children really enjoyed making these goodies for their charity cake sale today. The sale was their own idea. Thank you to everyone who supported them.
