

Hillcrest Tuesday Mailbag 25 September 2018

News

Reception - Yr 5 'Flu Vaccination - Please don't forget to return your completed form by 9am next Monday, whether you wish your child to have the vaccine or not. If your child's information pack didn't make it home for some reason we have spare copies in the office.

Yrs 1 - 6 Parents' Evening Bookings - Remember to book an appointment. Click [here](#) to log in to the booking system. Several parents have reported that the system brings up another child's name in addition to their own child's. Sorry - this happens if you are on the system as an emergency contact for a friend's child. (My fault - I will sort this out when I set up the system for the next set of Parents' Evenings. I can't change the settings once people have started to make bookings without losing the appointments. Juliet)

After School Clubs on Parents' Evenings (16th & 18th October) - Both of Mrs Wyatt's Choir Clubs and the clubs run by outside providers - Outdoors Club, Junior Game Creator, Art, Drama and Ukulele clubs - will be running (with some room changes) but there will be no Football as Mr Mac will be busy seeing parents.

Hand, foot and mouth disease - We have two reported cases of this common childhood illness in school. You can find out about it on the NHS website [here](#).

Letters

[Yr 4 Your Child's Eyesight](#) A letter from the School Nurse Team

Community Notices

[Outdoors Project Half Term Programme](#)

Do you shop at ASDA Bedminster? The boys Beaver/Cub/Scout group 175th Totterdown are nominated as one of the charities of the month and would very much appreciate your vote (pick up a green token at the checkout to put in your chosen box on the way out of the store).

Look out for your next Mailbag on Friday.
