Dear parents and carers,

We have reached the halfway point of the year and there is still lots to look forward to.

In Term 4, we will continue to work on sentence writing, letter formation, phonics and keyword spelling as well as comprehension skills in reading. The children can also look forward to dressing up for World Book Day on Thursday, March 1st.

In Maths, we are focussing on time, addition and subtraction, and counting in 2s, 5s and 10s. In Science we will be continuing to explore materials and talking about everything rubbish. We still welcome any small bits of clean rubbish (no bigger than a shoebox). Please send it in with your children so we can use it in our lessons.

Please remember that we have PE on Mondays and Wednesdays so they must have their PE kits in on these days.

We will be introducing small fortnightly homework tasks for English and Maths, which will be posted on the school website on Tuesdays. These tasks are non-obligatory but we will celebrate any work that is brought in with the whole class.

There will be Family Learning Conferences on Tuesday, March 13th and Thursday, March 15th so make sure to check your Hillcrest Mailbag for further details.

As always, if you have any worries or questions about anything at all, we are happy to talk to you after school in the playground or, if that is not possible, do not hesitate to contact us through the school office.

Here's to a great term.

Kindest Regards,

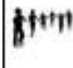

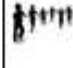

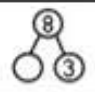

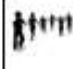

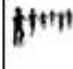

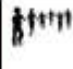

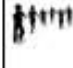

Kim Lamb

Ciaran McIntyre
