Thursday 6th June 2019

Dear Parents and Carers

Welcome back to Term 6. Our Topic this term is Amazing Animals and we will be looking at animals in our homes, how animals help humans and how we can help animals in the world through conservation. Please see the Topic Web and weekly overview attached for more details of our planned activities this term. We will also be investigating 'How Tall can a Beanstalk Grow?' as part of our Curious Cities curriculum enquiry

Forest School – Monday afternoons: The remaining groups of children will take part in Forest School in Arnos Vale. A letter for the children involved will follow shortly. Parent helpers are always needed for this activity.

Pet Day - Friday 14th June

As part of our topic we would welcome some furry, feathery and scaly visitors to the classroom on this day. A letter with more details, including any allergies or specific pet related fears that your child may have, is attached in the mailbag email.

Hillcrest O Vision - Thursday 18th July

For families new to Hillcrest we will be learning a song for the annual Hillcrest O Vision singing competition. Each class learns a song and performs it to the rest of the school. The children then vote for their favourite song and there are trophies for the winners in FS/Key Stage 1 and Key Stage 2.

Bristol Zoo Visit – Friday 19th July

Unfortunately we are not able to accept Zoo Passes as part payment as this would mean we would be unable to cover the full cost of the trip and it may have to be cancelled. The admission fee to the zoo is only half of the overall cost which includes coach transport and an Educational Workshop during the day. We do hope you understand our reasons for this decision.

We are looking forward to a very happy and enjoyable final term with your lovely children. More details regarding transition to Year 1 will be available in the next few weeks. As ever, please come and see us if you have queries about any of the above dates and activities.

Please be sure to check out the Hillcrest Primary School Website calendar for details of other events this term.

With very best wishes

The Reception Team

Where all children learn and discover together to create a better world.
