

News 29th January 2019

28 late through the gate this morning, so 382 children were in on time.

That's MUCH better!

We're feeling a really positive difference in the mornings now.

Let's see if we can get late arrivals down to single figures tomorrow!

After School Provision update

SuperStars have promised to send their Term 4 programme to us by this Friday. Once we have that we can decide what clubs it's possible to run alongside theirs. We will be speaking to our current club providers next week and putting together a full timetable. It will be in the Mailbag on Friday 8th February.

We'll have to see how things go for the first term. The number of parents who said they would use Superstars in the questionnaire was encouraging. The more users SuperStars have (to get us over that crucial break-even line), the more enrichment clubs we will be able to run alongside theirs in future terms.

Yrs 2 & 3 Performances

Have you booked your free seats for one of the performances yet? They are at 1.30pm next Thursday and 6.00pm next Friday. Book using our Parents' Evening booking system - click [here](#).

If you have any difficulty booking please speak to one of the office team. We're here to help.

Open Doors Day - Diary Date

This term's Open Doors Day will be from 9.00 - 10.00am on Thursday 14th February. The focus will be on Art. We'll also have a presentation by UWE's 'Children's University' team to explain what this national scheme all about.

Reception will be having a Stay & Play session at the same time.

Great Battery Recycling Competition

We have signed up to this recycling competition run by Duracell Batteries. In school soon we will have a collection pot to collect batteries for recycling. The school will be entered into a prize draw for a chance to win some exciting prizes. Keep an eye out for your child's personal recycling pot for them to fill, bring in and reuse.

Wells Road Crossing

Paul's not well so the crossing won't be manned until at least Friday. We'll keep you posted on the front page of the website (yellow banner at the top of the page). It will also be unmanned at both ends of the day on Monday.

Potato Update!

The potato rumbler (yes, that's really what it's called) the kitchen staff use to peel potatoes is broken and waiting for a part. They cook too many to peel by hand so, in the meantime, the roasters and boiled potatoes will be cooked in their skins - a healthier option anyway. Rest assured, they will be thoroughly washed.

There are no letters today.

Look out for your next Mailbag on Friday.
