

# Future Stars Coaching at Hillcrest Primary

Future Stars Coaching are delighted to announce that we are going to be working with Hillcrest Primary during the October Half Term providing a Holiday Club.

Please see some more information about the services we will provide:

Your children will be able to join us for a fun filled day full of sporting and craft activities. The day will be structured to provide 2 sporting and craft activities in the morning, and 2 different sporting activities and a further craft activity in the afternoon. We like to have the child's input on the days activities so we can ensure they are leaving the day excited about the opportunities they have had to learn new games or engage in their old favourites.

All our coaches are fully qualified with years of experience meaning that they are able to adapt all our games to all ages and abilities. The coaches will also ensure they are providing the quiet time that some children may need during a busy day.

We have regular snack and water breaks during the morning and afternoon with a lunch break at 12pm. Please ensure you provide your child with suitable snacks, lunch box and water bottle.

Each club will also have their own specific theme days where the children will compete in Olympic style games or World Cup days. These competitions are completely optional, so if your child doesn't like to take in competitive sports there will be other options available for them.

We have several different timings of the club that you can choose from;

Standard day – 9am – 3.30pm = £14.00 +vat  
Extended day Early – 8am – 3.30pm = £18.00 +vat  
Extended day Late – 8am – 4.30pm = £18.00 +vat  
Full Long Day – 8am – 5pm = £24.00 +vat

We offer sibling discounts and group booking discounts for bookings of 5 or more days.

## BOOK ONLINE

To secure your child's place on one of our fantastic Holiday Clubs, you can book securely online through our website [www.futurestarscoaching.co.uk](http://www.futurestarscoaching.co.uk). Follow the link on our BOOK NOW tab and it will take you to our online system 'Bookwhen'.

You are able to book single days or block bookings. The system will ask you for all the information regarding your child including medical and dietary needs, school year, emergency contact information, your details and a personalised password that will be required on collecting your child for safeguarding.

Payment will be taken at point of booking to secure your place. You are able to pay via card or use Childcare Vouchers. Our booking system will be set up for you to choose which Childcare Voucher provider you will be using, however we are still in the process of registering with OFSTED at Hillcrest Primary so until that it is registered you will be unable to process the payment. So, after you have completed your booking please make note of your booking reference and amount, hold back the payment and we will contact you when registration is complete with all the relevant information so you can then action the payment.

If you have any concerns or queries please contact Leanne Selman on 01275 390902 or [Leanne.selman@futurestarscoaching.co.uk](mailto:Leanne.selman@futurestarscoaching.co.uk)
