Dear Parents and Carers,

St Piran Concert

The St Piran concert took place on Monday 12th March. The children from St Maddern's represented the school well and joined in enthusiastically with the songs and dances to celebrate. Well done Emily and Fern.

Healthy Eating

We have had a focus on Healthy Eating this week. Class 1 had a Smoothie making workshop with Karen from Chartwells.

The children made smoothies and learnt about the benefits of different fruits and they also tried some of fruits they had not tasted before.

Each group had to think about the choices of fruit to put into the smoothie create a name and present it. The children they really enjoyed making them and were surprised how quick and easy they were to make.

Here are some comments the children made: *'The little chick is nearly flying! I think the little chick is really cute' Esmae, 'The chick is really happy to be in class 1. He is called Jeff, and he squeaks all the time. He really wants to get out of the cage!' Roan, 'I love the chick!' Tyler*

We then have a whole school assembly on Healthy Eating and had a good discussion about sugar and salt content in foods. Karen commented:

'It was great to do an assembly with your school today, your pupils were very knowledgeable and were able to answer lots of my questions about the Eat Well Plate. It was great to see so many of the pupils getting involved and they really took on the information I gave them. This showed at lunchtime with more pupils choosing vegetables and salad.'

Learning about life cycles

Class 1 have been watching eggs hatch this week and we have had one healthy chick hatch so far. The chick is very talkative and the children have enjoyed watching him grow up! We haven't had a particularly good healthy batch of eggs to hatch so are hoping for more eggs to arrive next week.

Finally, thank you to parents and carers who have returned the SIAMS questionnaire. We really appreciate your feedback on this aspect of our work. If you have not yet replied it is not too late and we have included a further copy with this newsletter just in case you mislaid the first. Thank you in advance for your support.

Thank you for your continuing support,

Hilary Tyreman
