Dear Parents and Carers,

### Parent and carer consultations

Thank you to all parents and carers who have attended meetings with your child's teacher this week. We also have these after school on Tuesday 6th February so please book a time to meet your child's teacher.

### Mission and Aims statement

We have been busy working on our mission and aims statement over the past half term and I am pleased to share with you our new mission and aims statement.

### Governors' mission statement:

At St Maddern's C of E School our mission is to educate children for 'life in its fullness' by educating pupils spiritually, intellectually, socially, morally, aesthetically and physically within a school firmly based on Christian principles and on the examples of Jesus in the gospels.

### The school aims to achieve this by:

- **Educating for Wisdom, Knowledge and Skills** by following a curriculum that is broad, balanced and stimulates a sense of curiosity and excitement about the world and developed the full potential of every child in our care.
- **Educating for Hope and Aspiration** by providing a safe, nurturing and caring environment where child can take risks, build resilience and flourish.
- **Educating for Community and Living well together** by building positive relationships with our immediate school community, national and international community and for the school to be a hub of learning in the community.
- **Educate for Dignity and Respect** by promoting the character virtues of perseverance, respect and responsibility so that children leave the school resilient and trustworthy whilst displaying good manners and consideration for others.

We also have chosen **Inspire, Believe, Achieve** as our St Maddern's strapline.

The children are beginning to name and talk in an informed way about our three core values of **Perseverance, Responsibility and Respect** and we have started awarding these character virtues in assembly. The children will be sharing their ideas about Perseverance with you next Tuesday 6th February at 2:30pm. All parents and carers welcome.

Kind regards,

Hilary Tyreman
