Partnerships with other schools and how we manage transitions:

We work with a number of schools in the area in the following ways:

- ✓ Small group extended transition to secondary schools
- ✓ Extended transition to specialist provision
- ✓ Planning meetings with secondary schools
- ✓ Graduated starts for children with SEN joining our school if needed.
- ✓ Forest school extended transition for year 6 children if required.

This year, 2 children requiring SEN Support came to us from other schools. We successfully applied for Statutory Assessment leading to an EHCP for both children.

We ensure that the transition from Nursery to Reception is smooth by free flow throughout the year. Transition sessions are planned in the summer term.

We support the transition from Reception to Year 1 by holding transition afternoons for the children in July; parents' meeting: singing practice throughout the year and detailed hand over meetings between the class teachers and SENCO.

The transition from year 6 to senior schools was supported through; Parents' & Child visits to schools accompanied by SENCo if requested; Taster Days at the secondary School; SENCo meeting with SENCo from Secondary Schools to share information.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our School Development Plan, which includes our SEN Development/Action Plan.

Our complaints procedure:

Anyone wishing to make a complaint with regard to SEN support and provision should refer to our complaints procedure policy.
