Adventurous Learning Class 1

Class 1 have visited Land's End Airport this week as part of their transport topic. The children were congratulated by the manager on their excellent behaviour and were a credit to our school. They had a great time finding out first-hand about aeroplanes.

Adventurous Learning Class 2

Class 2 visited Trengwainton Gardens on Monday afternoon as part of their science topic. The children met with the head gardener to find out about the botanical reproduction of a plant as part of our science lesson. The children also learnt all about the pollination process, and then enjoyed a Trengwainton cream tea!

Amazing Ancient Greeks

Parents and carers of children in class 2 are invited to an Open Morning on Tuesday 22nd May from 9:15am. The children will be sharing their topic work on Ancient Greece, performing music, serving Greek food and sharing stories they have written.

We look forward to seeing you on Tuesday!

Mazey Day Saturday 23rd June

We will be taking part in the Mazey Day Parade this year (time to be confirmed). We welcome artist Amanda Lorens to school on Wednesday 6th June and if you have a spare hour/morning or afternoon on these days and would like to help with making our image we would be pleased to see you. We are going to making a giant hungry caterpillar with class 2 and smaller leaves and insects for the children in class 1 to carry.

STAR LEARNERS
