Our NICER Challenge Pack this term is called:

Me and my Friends

The Challenge that our children will be undertaking is:

How can we make friends who are further away?

The outcome that the children will be working towards will be:

A Mad Hatters Tea Party with friends

This will happen at the end of the summer term, date TBC.

To launch our new challenge pack we are off to Wonderland next week:

RG - Monday 8th May

RK - Tuesday 9th May

RA - Wednesday 10th May

We will be leaving school at 9:00am and will return for 3:00pm, so please make sure children are on time. Please wear appropriate footwear and a waterproof coat.

All children will be provided with a packed lunch from the

Our week:

PE will happen on a: Monday. Please make sure PE kits are in school for this day! We do keep P.E kits in school during term time but if you would like it sooner please ask.

Reading will also take place on a Monday, please make sure book bags are in school. We endeavour to do our best to hear each child read on a Monday but it is not always possible, we will make sure each child is listened to before the end of each week.

All of our activities will be planned around our NICER challenge pack. The seven areas of learning will be planned alongside the children taking account of their ideas and interests.

Our NICER Home learning challenge will be set for over half term so watch this space. In the mean time please continue to read at home and learn any new words given in the red book. We have also provided you with a homework leaflet which gives you ideas for activities and useful links to do at home. Please get involved with your children and don't be afraid to get messy and stuck in!

Our last challenge pack was a big success, it was so lovely to see so many parents in school supporting the children. We have really enjoyed researching, planning and performing in our parade. Our enterprise challenges were also a big hit! Thank you for your continued support.
