

Curriculum Newsletter

Year 3

Our NICER Challenge Pack this term is called: **Sparks Will Fly**

The Challenge that our children will be undertaking is: **To tell the story of fire creatively.**

The outcome that the children will be working towards will be: **Compiling a book about fire.**

This will be a mix of the activities the children have completed (that parents/carers have the option to purchase).

This will happen at the end of Summer Term.

Our week:

Maths and English will happen every morning.

Normally our Science lessons will happen weekly, during the afternoon.

PE will happen on a Wednesday and Friday. Please make sure PE kits are in school for these days.

All other lessons will be taught through our NICER Challenge Pack.

NICER Home learning should have come home to you this week. Please see your class teacher if you have any questions. We look forward to seeing the children's outcomes of their work, to be returned to school by **Wednesday 5th July 2017**.

The children really enjoyed visiting Handsworth Fire Station. They were shown several different emergency vehicles. Also, the children learnt about fire safety and what possible hazards there are in the home.

If you would like to know any further information about the NICER Curriculum, please visit our school website: www.fibbersleyparkacademy.org.uk
