

Welcome Back!

Welcome to the first newsletter of the new school year. It has been lovely to see the children settle well into their new classes. We have reviewed our curriculum and have so many exciting things planned for the school year; ensuring that the children experience a broad and balanced curriculum. As you are aware, last week we had visitors from Ofsted inspecting our school. A huge thank you to our dedicated staff team and supportive parents. We'll issue a copy of the report once it has been published.

Online safety

Please ensure that your child does not have access to a YouTube video called Rick & Morty, as it's highly inappropriate.

Meet the Teacher event

We will be holding a 'Meet the Teacher' session on Thursday 19th September 3:30pm – 4:40pm. This will give you the opportunity to drop-in to meet the adults who will be working with your child/children during this academic year and clarify expectations such as homework, PE days etc.

Staffing update

We would like to congratulate Miss Burns who gave birth to baby Jude in the summer holidays. Miss Hartshorne (EYFS) kept it top secret and got married during the summer, so is now known as Mrs Blackmoor.

We'd like to formally welcome Mr West (Year 5), Mrs Hayer (Year 6), Mr Brewin (Year 6), Miss Lloyd (Year 2) and Miss Fowler (SLT team) to our Fibbersley family.

REMINDERS

PE kit

Please ensure that children have the correct **PE kit** in school. If you're unsure, please refer to guidance on the school website.

We are a NUT-FREE school

We have children with severe nut allergies, therefore it is paramount that we take precautions and refrain from having nuts on site. Thank you for your support with this.

Car Park Barrier

You'll notice that we've now installed a car barrier system to restrict access to the car park, for safety purposes.

Breakfast Club

If your child attends breakfast club, please ensure that they are supervised at all times by parents (if arriving before 7.30am) and are signed in at Reception for safeguarding reasons. Thank you.

Playground markings

Many of you have noticed our new playground markings, which are loved by the children (especially our daily mile).

If you haven't already, please download the Marvellous Me App as we will continue to use this to communicate with parents.

As a school we are focusing on developing a love for reading.
