

Dear Parents/Carers,

We will be holding Parent Maths workshops over the next few weeks for parents in Years 2, 4 and 6. The sessions will focus on how you can support your child at home – which was welcomed by the parents who attended last year. Workshops for other Year groups will be offered in February as part of 'Number Week'.

We've received several complaints about parents who are smoking outside the school gate and blocking the pavement. Please ensure that consideration is given to other parents and their children, as '**Secondhand smoke is dangerous, especially for children**' (taken from the NHS site).

### PFA Fundraising

As part of their fundraising activities, our PFA would like to organise a 'dress-down' day on Friday 22<sup>nd</sup> November and have asked for donations of bottles or unwanted gifts (x1 gift per family) for the Christmas Fayre.

The funds raised from this event will go towards the cost of new playground equipment for the school!

### REMINDERS

**NO Dogs:** We've had reports that parents are bringing dogs on site. Please remember that dogs are not allowed on site. Thank you.

**Communication:** If there is an issue/question, please ensure that you follow our communication policy and **make an appointment to see your child's class teacher in the first instance.**

If you haven't already, please download the MarvellousMe App as we will continue to use this to communicate with parents.

Really impressed with the effort and initiative of Katie's homework challenge. Really symbolises the importance of year 6's work on remembrance.
