

Dear Parents/Carers,

**Come and join us on Wednesday December 4<sup>th</sup>**

We're very lucky to be a part of a school where our views and opinions as parents and carers are both asked for and listened to by school leaders. Fibbersley's **Parent Council** was set up in 2018, meets once per term and comes together to discuss our school and share our views on things we really value as well as things we don't think are going so well.

We've talked about so many things such as the curriculum, behaviour, charitable activities, local partnerships, communication and homework, feeding back our thoughts and ideas directly back to the school's headteacher, Mrs Crawford.

This term we'll be chatting (over tea, coffee, biscuits and cake!) about the experiences children have at our school, through trips and hooks as part of the curriculum and also non-curricular activities.

And, whilst we have a group of regular members across all year groups, we also always welcome more parents and carers to come and join our friendly group, and this includes any of you who may be new to our school this year.

We'd really love to see you there, if you'd like to join us please email us at:

You could always drop a message at the school office. The purpose of the group is about the wider parent voice and to support the school in its plans and activities. Through this, we can all play our part in ensuring our school becomes the best it can be.

Best wishes

**Nicky and Caroline**
