Our week:

PE will happen on a Friday for RM and RP and Tuesday for RD. We do keep P.E kits in school during term time and send them home each half term break, but if you would like it sooner please ask.

All of our activities will be planned around our NICER challenge pack. The seven areas of learning will be planned alongside the children taking account of their ideas and interests.

Our NICER Home learning challenge details are on reverse of this letter. Please note the due date. We do not need any homework bought into school before this date. Please continue to read at home and learn any new words and sounds given in the reading pack. It really does make such a difference when children read regularly at home.

On Monday 14th January, we took part in our NICER hook. This was a Carnival Dance workshop to give the children some performance skills in preparation for our challenge outcome.

Our Fib50 for this half term will be a Pyjama Party. Children are invited to come in to school wearing their pyjamas on Thursday 14th February.

We will of course be posting photographs throughout our challenge on Twitter. You can follow us at:
