Year 2

NICER Challenge pack

Our NICER Challenge Pack this term is called: Dinosaur Stomp.

The Challenge that our children will be undertaking is: **How can we bring dinosaurs back to life creatively?**

The outcome that the children will be working towards will be: **to create a dinosaur dance.**

This will happen at the end of Spring term (before the Easter break).

Dinosaur Stomp

Our week:

Maths and English will happen every morning.

Normally our Science lessons will happen weekly, during the afternoon.

Please make sure that PE kits are in school every day.

All other lessons will be taught through our NICER Challenge Pack.

Special Event: **Dinosaur day in school.**

NICER Home learning should have come home to you this week. Please see your class teacher if you have any questions. We look forward to seeing the children's outcomes of their work, to be returned at the end of term. We will give you a specific date closer to the time.

Our children are looking forward to another Hook. This time we're having special visitors into the school to come and tell us all about dinosaurs to lead an exciting activity.

I can't wait to see the dinosaurs!

I'm looking forward to learning all about dinosaurs!

My favourite dinosaur is the T-rex!

If you would like to know any further information about the NICER Curriculum, please visit our school website: www.fibbersleyparkacademy.org.uk
