Dear Parents and Carers,

Welcome to Term 5 of the academic year and to the start of our creative, whole-school Landscapes Project that will see pupils focus on the 'Arts', including Art, Music, Drama and Dance.

Printers Playhouse Drama and Music Workshops

We are excited to announce that we will be welcoming Viv Berry who will be leading weekly drama and music workshops with all classes across the school during Term 5 & 6 to enrich our Project of the 'Arts'. The aim of these sessions is that the children have fun and enjoy being immersed in music and performance. Viv is a professionally trained actor, singing teacher, and Director of Printers Playhouse, a community Arts Hub in Eastbourne. The children will eventually devise a small performance, with the aim of sharing the performances with parents in Term 6. Watch this space!

Volunteer Reading Army

Following the interruptions to the children's learning over the past year, and now that we are once again in a position to be able to cautiously welcome volunteer back into school, we would like to recruit an 'army of volunteers' to support teachers in ensuring every child is heard to read every day.

As many parents, carers and grandparents did before the Lockdown in 2020, we ask anyone interested in volunteering to read with out pupils to contact the school office on Hamseyoffice@skylarkfed.education to begin the process of completing DBS paperwork.

Hamsey Needs You!

Reminders:

- Please make sure if you child has long hair (Shoulder Length or more) that it is tied up.
- Please make sure that appropriate jewellery is being worn in school.
- Remember full school uniform— apart from for extra curricular activities.
- Please update the school if your contact details have changed.
- Please go onto parent pay and pre book your child's lunch.
