Message from Miss Howell

Thank you to the PTA for organising the quiz last week, I'm sure everyone had a lovely evening raising money.

We have started to make plans for next term this week. Jays and Eagles will be learning about Cornwall in the past and today, focusing on mining. We are kicking our topic off with a trip to Geevor mine (you should receive a letter about this today). Little foresters will be focusing on fairy tales.

Have a lovely Easter break and we will see you on Monday 16th April.

Staffing

Sadly, we have to announce that Mrs Evely will be leaving us on Friday 27th April. Mrs Evely has been an integral part of the school for over 25 years. We thank her for her dedication and commitment; we will definitely miss her, but wish her the best of luck for her adventures ahead.

Clubs

Early Birds club is on **from 8am** for 50p. First week back will be stay and play if anyone is unable to collect at 3:15pm. Clubs start properly week beginning 23rd April. If anyone would like to run an after school club, please let us know.

Spellings

Next term, tests will be on Friday mornings for everyone in year 1 to 6. We will be continuing with the spring term list. Children will be tested on week 5 on Friday 20th April. Spelling lists are on the school website in the curriculum section and literacy, if you have lost yours.

Homework

There will be a few changes next term due to the feedback on questionnaires and discussions with parents. We will be giving you more control of the homework you complete. Details will be sent home during the first week back.

Attendance Awards

Archie, Steven, Thalia, Stella and Evan received attendance awards today. These five children have only had 1 day off so far. Well done!

Wanted

We will be sewing after Easter. We need scraps of fabrics preferably in blues, greens, yellows, browns, greys ... We will be using them to make fabric Cornish landscapes.

PE

Now swimming has finished children will need their PE kits. Children in Jays and Eagles will have PE on Monday (with Mr Tucker/ Miss Howell) and on Friday (with Simon). It is very difficult to participate in a PE lesson without the correct kit. Children must have dark (black/ grey) joggers/ leggings/ shorts with a white plain t-shirt. All children must wear plimsolls or trainers.

SENCO

After Easter we will have a new SENCO working with us. Mrs Semple has done this role for many years, but she is not able to dedicate as much time as she would like to role, so has decided to pass the job on. We will now be working with Miss Lockyer, who is already a SENCO in one of the other schools in our academy trust.

Cross Country

Well done to the key stage 1 children who took part in the cross county race yesterday. You all did brilliantly!
Thank you to the parents that were able to give lifts or go and support the children.

CGS Spring Flower Show @ Boconnoc

Please bring an old welly or container for your entry

HOW

ACTION FOR CHILDREN

WORKS

BY GIVING YOU A PLACE TO

TALK

It's hard to put your finger on who can give you the right advice without knowing first what the problem is.

As a parent of an under five do you struggle to find out who to get help from or feel you know what questions to ask?

We're here for you, whatever's on your mind. We'll support you as little or often as you want.

Our practitioners offer free advice and can help give you peace of mind or to guide you for additional support.

We can give you help with your child's development, behaviour, feeding, family life, wellbeing, understanding your child, sleeping, and much more.

We really don't mind what you ask us about, we are here to help you.

What is this service?

Our parenting TALK service gives you access to trusted practitioners who can answer your questions and offer practical support and advice for you and your family.

How do you access the support?

Simply login to the webpage below and follow the directions. It's very simple to begin a conversation with us.

Why is it only available in Cornwall and Sandwell?

We are trialling this new service from March to May 2018 to understand what parents need help with to learn how we can support you. Cornwall and Sandwell Local Authorities are at the forefront of this offer to help local families get the support you need, when you need it.

Practitioners will be available Monday-Friday 2pm-8pm.
