Message from Miss Howell

It was good to be back and have a full week of school this week. Year 1 and 2 performed fantastically on Monday at St Piran's Day. On Tuesday Georgie, Serena and Tristan were presented with their medals for this years cross country.

A huge thank you goes to any parents who help with lifts, without your support it would difficult for us to get out and about!

On Wednesday it was fantastic to see so many parents at parents evening. You should have been given a questionnaire to return. If you haven't got one please see Mrs Evely. Please return them by next Friday so we can start looking through your reponses.

Dates for your diary

Tuesday 13th March—NO CLUBS AFTER SCHOOL—Staff first aid training

Junk modelling

Little Foresters need boxes/ tubes/ plastic pots etc for their craft work. If you have any, please bring them in.

Snack

We are given fruit daily for the younger children and order additional fruit so we can offer this to the older children as well. However we do not order specific fruit, therefore we can not predict what fruit will be available. If your children only likes a specific fruit, please send them in with this in their bag.

Roof

Please be aware that the works on the roof begin on Monday, therefore there will be scaffolding around school. Please be cautious and we will let you know if there are any changes to drop off or pick ups.

Clothes wanted

Little Foresters need to replenish their supplies of spare clothes. As you can imagine, it is often necessary to change the children in to clean clothes so require pants, socks, tights, trousers etc aged from 2 -7. If you have any to donate please drop them in to Mrs Harper.

Clubs

Early Birds club is on **from 8am** for 50p
After school clubs £1 each a week
Monday—Film club
Music Club

Tuesday—NO CLUBS TODAY

Wednesday—Chess club
Sports club
Thursday—Forest club

Stars of the Week

Little Foresters—Toby

Jays—Grace

Eagles—Carlo
