

Holy Trinity C. E. (A) Primary School, Cuckfield British Values

Vision

We aspire to be a happy, confident and caring community where children are motivated to achieve their full potential in a supportive learning environment, underpinned by a strong Christian ethos.

1 John 4: 16: 'God is love and those who live in love live in God, and God lives in them'.

Our school promotes and embeds British Values through our ethos, curriculum and worship.

British Values are:

- Democracy
- The Rule of Law
- Respect for all others
- Tolerance of different faiths, religions and beliefs
- Individual liberty

We challenge any extremism, views or opinions held by pupils, staff, parents and governors which are contrary to British Values and this helps prepare our children for living in modern Britain.

All curriculum areas have a contribution to make to the child's spiritual, moral, social and cultural development and opportunities for these are planned into our curriculum.

Our strong Christian ethos encourages our children to reflect on core Christian values, through the Values both in worship and in the classroom through discussion, reflection and worship.

Our school community will be a place where pupils can find acceptance for themselves as unique individuals, celebrate their individuality. Our school is a place where forgiveness and the opportunity to start again is fundamental to the ethos of our school.
